20 January 1982

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

SUBJECT : SNIE 12.6-82: Prospects for Poland Over the
Next 12 to 18 Months

1. Attached please find the draft TORs for the Polish SNIE for your comments and general concurrence. I would like to send them to the agencies by COB this Friday (22 January). Because of the many gaps in our knowledge about the situation in Poland, I will not be working this SNIE as fast-track but hope to have it finished by early March.

2. The intervening period should allow us not only to get more information from Warsaw but also to take into account the views of US scholars, a number of whom are being invited to a conference we are organizing. [redacted]

[redacted] I shall give you the details as soon as exact schedule, participation, and agenda are established.
